## Pierre Robin Sequence: Standards of Care from Birth to 1 Year of Age

This is the first Italian - USA meeting on Pierre Robin Sequence management in the first year of age. Experts in the field will discuss the modern available options for the treatment of this disease. Prof. James P. BRADLEY, Prof. Enrico SESENNA and Dr. Mario ZAMA are renowned craniomaxillofacial surgeons in U.S.A. and Italy, respectively. The aim of the congress is to provide an update on the standards of care for Pierre Robin Sequence.
